CREATE A MARIACHI SKELETON PUPPET

Timed Needed: 30 min
Age Level: 7 and up

Description:
In honor of Día de los Muertos make a puppet with us! Color your mariachi pieces, then cut them out and put them together to create a puppet. Also learn about the importance of skeletons for the holiday.

Materials:
- Puppet Template
- 1 Wooden Stick
- Glue Dots
- 2 Brads
- Scissors (not included)
- Colored Pencils or Crayons (not included)

Step 1: Color in your skeleton template and then use your scissors cut out the individual pieces. It’s okay to have white space around the pieces.

Step 2: Use the brads to connect the arms of the mariachi to the body by pushing a brad through the two pieces and folding over the prongs at the back.

Step 3: Use the glue dots to attach your wooden stick to the back of your skeleton so you can hold your puppet.

Step 4: Lastly, apply a glue dot to attach an instrument of your choice to the mariachi’s hand.
