In this *Inside the Vault* video we reviewed the history of the nativity scene as we observed different styles of nativities made from various cultures around the world.

1. We have viewed four different nativity scenes. From your observations what differences do you see? Pick two and explain here.

2. We have viewed four different nativity scenes. From your observation what similarities do you see? Pick two and explain here.

3. Did you learn anything new about the different cultures that created these nativities?

4. Write about a favorite family holiday tradition.
