BREAK

I would like to take a break.

I need a restroom break.

Time to go home.

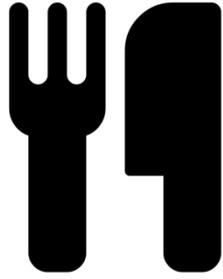

I would like some water.

Walking feet inside the museum.

I need a quiet space.

I would like to eat.

I am using my inside voice.

I cannot touch.

I have a question?

I would like something
from the sensory
basket.

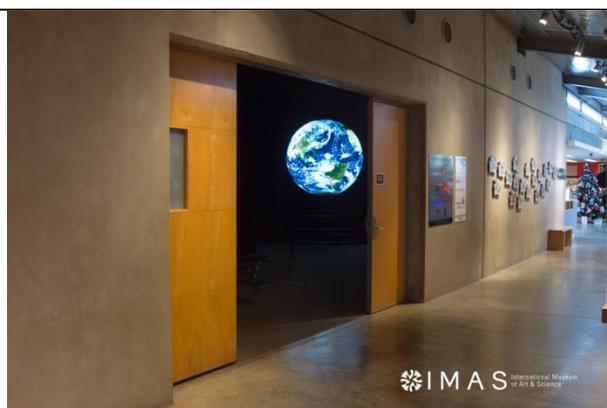

I will stay with my parent/
guardian at all times.

A visual checklist for visitors

Helpful instructions:

1. Prior to your visit, print out the checklist along with the picture cards to help plan your visit to the museum.
2. Visit our website, <https://theimasonline.org/welcome/>, for more information about which exhibits and galleries are currently available.
3. When you have decided which areas you would like to visit, cut out the matching cards and paste them on your checklist.
4. There are other cards you can use when you visit the museum that indicate when you would like to take a break, when you are in need of a quiet space, etc.
5. Make sure to leave some of the boxes on the checklist empty just in case you would like to add to your tour while you are at the museum.
6. Bring your completed checklist with you to help guide your tour when you visit the IMAS.
7. Print out a blank checklist and a new set of cards if you choose to complete a new checklist as you tour the museum.
8. Each time you have visited an exhibit on your self-guided tour you can check it off on your checklist in the "Completed" column.
