RGV Women in STEM

Meet a Scientist

CHRISTINA MOLANO

Assistant Water Lab Manager

Christina Molano has been the Assistant Water Laboratory Manager for the City of McAllen Water Laboratory since September 2010. Mrs. Molano received her Associates in the Arts of Science for Chemical/Environmental in 2007 from Texas State Technical College in Harlingen, TX. She is an active member of the following groups: Citrus Water and Waste Water Association, AWWA, and The National Environmental Laboratory Accreditation Program under NELAC. She holds a Surface Water B Operators License and Laboratory Analysts Section C License. She currently resides in Santa Rosa, TX and enjoys spending time outdoors with her family. She states, "When choosing which program best suits you, don't second guess your potential to excel in the S.T.E.M. Opportunities will present themselves when you believe in yourself."
